

This College Africa Group course will enhance the user's skills on the subject and teaches fundamentals as well as strategies in an easy to follow, easy to understand format and includes practical exercises which will assist in developing your skills in the workplace.

COURSE OUTLINE - 2010 Microsoft Word Advanced Course

This comprehensive Word Advanced 2010, which has been superseded by a newer version, 2013, course builds on the grounding which was learnt in the Word Essentials and Intermediate 2010 courses. The Word Advanced 2010 Course covers some of the most advanced features and functions of Word 2010.

This is an intense one day course, 09h00 to 15h30, which will provide the delegate with sufficient 2010 Word Advanced skills to create sophisticated analytical spreadsheets and master intricate advanced formulae.

This course will prepare the delegate for more advanced Word 2010 courses. The delegate receives a Word Advanced 2010 manual and an electronic attendance certificate on completion of the Word Advanced 2010 Course.

We almost run on demand as we try to accommodate the client's work schedule when possible. Contact Arnold 083 778 4903 or email sales@collegeafricagroup.com for dates in your area?

Topic-Level Outline
